

## **Pompey Community Church Membership Agreement**

I confess that Jesus Christ is my Lord and Savior,  
and I rely completely on His gift of salvation  
for right standing with God and eternal life.

I believe that the Holy Bible is the Word of God and I  
declare my intention to keep God's commandments.

I believe in one holy universal Church under the  
rulership of Jesus Christ and I believe that at this  
time Pompey Community Church is the place  
God wants me to participate in the life of His church.

I therefore commit myself to participate actively in  
the fellowship of this church family, and to support  
it with my gifts, talents and resources.

I believe and support the Statement of Faith at PCC.
